

## Decleor Facials

Each of our facials begin with a relaxing back massage to help you unwind, and end with light refreshments.

### Aromaplasty Facial (*suitable for all skin*)

A Decleor signature treatment which can be tailored to your skins needs. This 100% multi active mask acts as a poultice pumping in multi vitamins and drawing out impurities.

### Aroma Expert Essential (*dehydrated/dull skin*)

Bathe your skin in absolute moisture with hydra force mask, restore the skins moisture levels.

### Aroma Expert Purify (*combination and oily skin*)

tightens the skins texture and limits skin imperfections leaving the skin pure, balanced, matt and luminous.

### Aroma Expert Nourish (*dry, uncomfortable skin*)

With cereal milks and aromatic nectar this will leave you with delicious skin. Acting like a meal for the skin it intensely nourishes the driest skin types.

### Aroma Expert Soothe (*Sensitive and reactive skin*)

An SOS treatment, the harmony mask will reduce redness, soothe delicate skin and strengthen skins natural defences. This facial will give an overall feeling of harmony.

### Aroma Expert Radiance (*Dull Skin*)

Let the White Bright Extreme mask work its magic on you. With pure vitamin C this works wonders on dark spots and improve the radiance of your skin.

### Aroma Expert Lift

Reduce the signs of ageing. This facial is specified to the age of your skin and leaves it firmer and more luminous. It stimulates skin tissues and collagen production.
